We uphold our commitments and fulfill them on a timely basis. We strive to be honest in all our dealings. We will work to the highest standard and seek the support of advanced technology in order to serve the requirements of our customers in a better way.

ABDULLAH BIN AHMED AL NUAIMI
CHAIRMAN

“One stop construction solutions”, It is not just our tagline. It is at the core of everything we undertake. Al Nuaimi Group LLC , we are here to be your most trusted resource to ensure that your construction requirements meet the correct operational and performance requirements. Backed by our long industry experience and remarkable expertise with mission and commitment. We focus on the specific needs of each project and provide high quality, cost-saving solutions to our clients.

To embark on a journey of success one needs the tools of preparedness, foresight and strategy. These lead to the path of growth and high quality operation. It is imperative to combine these three forces in an industry. All the way through the 39 years of experience, we identified some core values and base our management on these simple values of Integrity, Professionalism, Team work and People care.

Al Nuaimi Group LLC is one of the largest Conglomerates in the United Arab Emirates with its influence spreading into the GCC countries through its business activities. Its main areas of business are in Aluminum and Glass, Application Engineering, Construction, Roads and Infrastructure, Foundations and Piling, General Transport and Ready mix Concrete. "One stop construction solutions" is not just our tagline. It's at the core of everything we undertake. Backed by our long industry experience and remarkable expertise with mission and commitment, we focus the specific needs of each project and provide high quality, cost-saving solutions to our clients.

Al Nuaimi Group LLC is a family concern rooted in the simple values of prompt response and strong customer satisfaction. The quest for quality, work ethics, and complete dedication are our core values. Among the projects completed by us are the Abjar Tower, Twin Tower, Flex Commercial Tower, RAK Chamber of Commerce building, Emirates Islamic Bank Building, Federal Electricity & Water Authority Offices, RAK Mall, Mantled Athletic Hall at IAT RAK, Police Station Buildings in RAK, the Arabian Automobiles Showroom in RAK.

The success of the Group has largely been due to its ability to forge Long Standing Alliances and joint ventures as well as healthy business practice through integrity and commitment. These relationships have been carefully nurtured so that Al Nuaimi Group LLC now touches the lives of people in the U.A.E. and other GCC Countries in many different ways. The key factor of continued success of Al Nuaimi Group LLC is our effective use and development of the knowledge, skills and attitude of all our employees.

About Us

We are fully aware that projects do not only consist of an engineering component, but that financial - social and environmental, issues play a major role during planning and implementation stage. Project monitoring at all times with our qualified personnel to ensure product conformity to applicable standard.

We are committed to and consider our client as first priority. We believe that our Clients are key to our success and continued business innovation. It is for this reason that, we will continue to be advised by their needs and respond thereto by providing them with the very best service, in meeting their objectives within reasonable time, budget and quality.
